

SUMMER CAMP at St. Andrew's School

Come join us for a summer of fun, excitement, and learning at SUMMER CAMP at St. Andrew's School! The summer camp programs include a day long camp along with a wide array of weekly specialty camps. Highly qualified counselors lead the camps with a passion for working with young people and helping them learn and develop skills while having fun at the same time.

General Information

SUMMER CAMP at St. Andrew's School does not discriminate on the basis of race, gender, national and ethnic origin in administration of its educational policies, admission policies, scholarship and loan programs, or athletics and other school-administered programs.

Enrollment is limited to insure small classes.

All campers must be the designated age for the course by June 5, 2017.

Registration, Tuition Policy, and Online Registration @ www.saslions.com (go to Student Life and then to Summer Programs).

You can register online using a credit card. You can also print the form from our website and submit it, along with the registration fee and required deposit (via check payable to SAS), to:

**Summer Camp at St. Andrew's School
Attn: Christine Sapp
601 Penn Waller Rd
Savannah, GA 31410**

A one-time registration fee of \$30.00 per child is due upon registration for the first camp each year.

If only the registration fee and deposit is paid upon registration, the remaining balance for each camp will be processed 14 days prior to the camp start date using the credit card information you provided.

SUMMER CAMP at St. Andrew's School reserves the right to cancel any camp due to insufficient enrollment. Many camps have a maximum number of children who can enroll. It is best to enroll your child as soon as possible.

If a child is not picked up from a camp program at the end of that day's session, a late fee of \$5 per every 10 minutes will be imposed. This late fee must be paid at the time your child is picked up from the Day Camp Program (located at the Johnson Center).

Refund Policy

Every effort will be made to offer and staff courses as described in this brochure. Circumstances can arise that necessitate a change. If a camp is cancelled, for any reason, the applicant will receive a full refund of the camp fee.

If, once a camp has begun, it becomes apparent that the Summer Camp Programs Director has not been made aware of specific medical or emotional needs that cannot be accommodated, or if the child is uncooperative with instructors or staff, or is a detriment to other students, the child can be removed from any current or future camp that he/she may be registered to attend without refund.

Should you cancel your camp registration within 2 weeks of the start date you will receive a full refund of the registration fee of \$30.00 *(unless there are also other camp registrations). If a camp is cancelled 1 week from the camp start date, only ½ of the registration fee will be refunded (see ***above). If there is less than 1 week before a camp start date, and you choose to cancel the camp, there will be no refund.**

Drop-Off/Pick-Up Procedure

Cell phone use is prohibited in the carpool area.

ALL drivers must observe the 5 MPH campus-wide speed limit.

Do not bring your child to any program more than 10 minutes ahead of time.

If your child has not been picked up by the end of the camp session, he/she will be taken to the Day Camp program and a fee of \$5 per 10 minutes will be due upon arrival to pick up your child.

Day Camp (Camps 100, 200, 300, 400, 500, 600, 700, and 800)

Our mission is simple. Day Camp provides children with unique experiences that help them grow, learn, have fun, and build lasting relationships. We strongly encourage creativity, critical thinking, character, communication, and collaboration while teaching the skills of developing self-esteem, confidence, and independence.

A different adventure theme will be explored each week through art activities, crafts, music, storytelling, games, cooking, sports, and more. The Day Camp teacher's priority is to provide a safe, warm, nurturing, and fun environment utilizing developmentally appropriate activities.

Food, Field Trips, and More

Children receive a Day Camp T-shirt along with daily morning and afternoon snacks. Field trips are included in the weekly camp fee. Children need to wear their camp T-shirt on all field trips and bring a sack lunch that includes a drink. You will receive a letter from the Summer Camp director providing more details about field trips.

Some specialty Camps and all Day Camps offer snacks during their camp. Please take note of which camps offer snacks and remind their instructor if your child has food allergies. Be sure to report any allergies when completing the Student Record forms (or if a change has occurred since the 2016-17 school year if your child is a St. Andrew's School student).

Jenni's Treats on the Streets will visit the Day Camp every **Friday**. Jenni's is a mobile ice cream truck that provides treats for \$1, \$2, and \$3. She does have gluten and sugar-free options for \$4.

Tennis shoes are to be worn by all children. Children who are ages 3-5 should bring a change of clothing.

On the first day of each week the PK3 and PK4 day camp students should bring a crib sheet to use during rest time. It will be sent home each Friday for washing. Please return the following Monday (or next return date) for your child's use.

On swim days, children should bring a bathing suit, towel, and sunscreen (with their name printed on the container).

Lunch is NOT included in the Summer Camp Program.

Important Notes and Fee Adjustments

Day Camp discounts are applied when a specialty camp is attended during the same week: ½ price discount on Day Camp weekly fee when the child also attends a 3-hour specialty camp during the same week. This discount only applies to full week camps.

Drop-In Care: Please arrange prior to drop-in with the Summer Camp Director. The full day drop-in rate is \$60.00 per day. All drop-in fees must be prepaid. Drop-ins are not allowed on field trip days.
